HD 9/25 G CLASSIC

The HD 9/25 G is the most powerful cold water high-pressure cleaner with petrol engine in our Classic range. It stands out for its self-sufficient power supply and working pressure of up to 250 bar.

Order no.

1.187-013.0

- Independent high-pressure cleaning irrespective of external power sources
- Robust crankshaft pump with ceramic pistons
- Compact, light and very mobile

KÄRCHER

Independence

- Allows independence of external power sources.
- Complies with the requirements of exhaust emissions standard EU STAGE V.
- Convenient manual pull start.

Outstanding mobility

- Puncture-proof wheels guarantee permanently high mobility.
- The compact and slim machine is also very easy to manoeuvre in confined areas.
- For excellent mobility, comfortable transport and space-saving storage fits perfectly in a standard car.

Durable and robust

- A robust tubular steel frame reliably protects the machine against damage.
- Proven safety technology such as thermo and safety valve and water filter.
- Crankshaft pump with ceramic pistons.
