Outstanding cleaning performance

- Perfect fibre-deep cleaning of textile surfaces.
- Fast drying means that surfaces can quickly be used again thanks to the excellent back suction performance.
- Excellent cleaning result with visible before-and-after effect.

Ergonomically designed and extra-short upholstery nozzle

- Handle and pressure switches can be operated with just one finger.
- Practical knob shape allows different holding positions.
- Red nozzle mouthpiece ensures efficient water consumption.

Light weight and compact, robust design

- Effortless, also one-handed transport over ledges and steps.
- Designed for long periods of fatigue-free use.
- Long service life ensures high efficiency.
